

## **Wind of the Spirit**

Have you felt that blowing wind  
Blowing, blowing without end.  
Have you felt that blowing wind  
Blowing, now, for you, God's friend.

Feel it blow God's mercy here  
Changing lives confined by fear.  
Blowing through the thickest thoughts.  
Clearing out the pressing oughs.

Feel it blow the Spirit's warmth  
From the Holy Spirit's hearth.  
Fire, wind, combined to bring...  
Freedom felt in Godly things.
